Welcome to the 46th Kununurra Agricultural Show.

Our show remains the single biggest and most vibrant community event on the East Kimberley calendar, so let’s celebrate 2018 and our Reduce, Reuse, Recycle theme together!

We look forward to welcoming our regular showies, entertainers, local talent, community groups and local businesses. The committee is very proud of the range of sites, pavilion exhibits and diverse entertainment offered at show time.

Each Ag Show is a unique and showcasing of all our community has to offer – we are sure this year will be a credit to all involved. This year we have some changes to the show lineup—we hope you like them!

Please look through the schedule for the new classes, entertainment and novelty events, we’re sure you’ll find something that piques your interest.

The Ag Show would not be possible without the dedicated work of the Committee and the support of their families, our Society Support Officer, caretakers and our army of volunteers, tenderers and casual workers. From cleaning sheds, weeding and painting to seeking sponsorship, writing grant applications and data entry – there is much to be done to put the show together.

Please tip your hat to our hardworking committee, who have all worked tirelessly, and they will be at this year’s show doing all they can to make this show the best it can be. We welcome new faces, so please be a part of making the Kununurra Agricultural Show a roaring success.

We know there will be something for everyone to make this year’s show memorable. See you at the Show!!

CIVIL AND MINING CONTRACTORS
LandCorp is delighted to sponsor the Kununurra Agricultural Show for another year, supporting an exciting local event and community we have been a part of for more than 15 years.

As the State’s land development agency our role is to encourage investment and enhance communities, particularly in our regions.

In the early 2000’s Kununurra needed land to support local industry and create jobs. That resulted in 370 residential lots within Lakeside Park and Coolibah Estates, of which 303 have sold, and the Weaber Plain Light Industrial Area.

These developments have injected millions of dollars into the local economy, established new communities and businesses, creating jobs and training opportunities to help Kununurra thrive. Our role with the Ord East Kimberley Expansion project has continued this legacy.

LandCorp has built strong and respectful relationships through collaboration with traditional landowners, local government, businesses and families with a focus on social inclusion, understanding and reconciliation.

As I’m sure you will agree, Kununurra is one of the most naturally beautiful places in WA, if not the world, and LandCorp has upheld those environmental values creating places that reflect the local conditions and promote happy, healthy and sustainable living habitats for everyone.

We hope you enjoy the Kununurra Agricultural Show which showcases some of the best products, produce, local industries and best of all, personalities the community has to offer.

Please come and visit me at our LandCorp booth.

What, no dinner?

We’re not having an Agricultural or Cattlemen’s dinner at showtime this year: your feedback indicates that we need to focus on running a better show on the Friday, and we don’t have enough people to do a great job of both at the same time.

We will still have a similar event, just not at showtime this year.

When will it be?
Late this year (October/November).

What will it be?
We are hoping that this will be a very inclusive event for all involved with the show and/or agribusiness in the East Kimberley. It will be a lunch or dinner at an off-site venue. If you have ideas about the sort of event you’d like to attend, please let us know.

Who is running it?
We are seeking a volunteer!! Please contact us if you can help!

See program for nomination deadlines! Starts 3.30 pm Saturday.

Entry Fee $5 per 3 person team
Great Cash Prizes to be won!

♦ Junior competitors 10-15 years old
♦ Open competitors 16 years old or over

Rules

Object
The object of the game is to stack up to 20 bales of hay (open) and 15 bales (junior) to the greatest height in the shortest time possible. One team member must finish seated on top of the highest bale and the stack must stand on its own for 5 seconds to qualify.

Bales must be picked up and carried (not thrown) 5 meters to the stacking area. Teams then construct the highest possible stack using as many of the bales as desired. Teams may hold the stack to keep it from falling after the 5 second time limit has expired to enable measuring.

Time Limits
Teams will have a maximum of 5 minutes in the heats and 3 minutes in the final to construct their stack. A whistle will sound once to indicate 30 seconds to go and then twice to signal time up. At the final whistle teams must stop building and one team member must sit on the top bale of the stack.

Judging
If more than one team finishes with the stacks the same height, the fastest team will be the winner. The two highest and fastest teams will compete in the finals. The judge’s decision is final.

Since 2002, the Junkadelic Collective has been taking Funk on Junk all over Western Australia and across the seas to Hong Kong and the USA. By re-envisioning “Junk” as a resource for making instruments and applying it in a form of “Edu-tainment”, we break away from wasteful trends and help others to see that they are capable of doing their own thing in unison with others. Showing what is possible with a little imagination and a little effort. The Junkadelic approaches this with a holistic view seeking to connect rhythm in your body to your mind and being enterprising with what we have and what we find. Inspired by Carnivale Festivals and a myriad of musical forms Junkadelic remains a vibrant part of the DIY culture that has, and always will be, the birthplace of fresh ideas that paves the way towards sustainable living. And we’ll have a good time while we’re at it. Check out our website http://junkadelic.org
