

# Junkadelic

## BRASS BAND

# School holiday workshops

In line with our 2018 theme (Reduce, Reuse, Recycle), the Junkadelic brass band will be showing our community how to turn junk into joy.

Come on down to learn how to upcycle items that would otherwise go to landfill and play music in the park.

An initiative of the Kimberley Mental Health & Drug Service and the NAIDOC committee, proudly supported by Kununurra Agricultural Society.

All welcome, bring your creativity and have a go!

## WORKSHOP TIMES at White gum park:

Monday 9 July (NAIDOC community day- because of her, we can)
