Welcome to the 2015 Annual Kununurra Agricultural Show.

This year has been very frustrating for the show society, trying to negotiate a new lease for the showgrounds and a licence to operate the overflow caravan park. The lease has been finalized and is ready to sign but the caravan park licence is still being negotiated.

The inability to operate the caravan park and resulting shortfall in funds will have a serious impact on our ability to stage future shows and maintain the showgrounds.

However the show must go on, and the show this year should be a great event with many tried and true events plus a few new ones. The generosity of local business in sponsoring the show has made it possible for us to offer great prizes and trophies.

One of the reasons to hold a show is to give the local community the opportunity to showcase their products and skills, so whatever your interests are, and whether you are in town, in farming, or the pastoral industry you will find the show has something for you to participate in.

The committee and I hope that you will enjoy the biggest community event in town, the 2015 Kununurra Agricultural Show.

Spoon the mixture into an ungreased, base-lined 18cm round, 9cm deep container. Stand on an upturned plate and cook for 2 minutes. Turn the container round and cook for a further 2 minutes. Turn round again and cook for 1-3 minutes.

Leave the sponge to stand for 5 minutes before turning it out upside down onto a serving plate. Cover and leave to cool completely.

Split the cake into two layers. Spread one layer with the lemon butter and replace the other layer on top.

Mix the icing sugar with the water and yellow food colouring. Pour over the cake.

HAYSTACKING

See program for times and Nomination Deadlines!
Entry Fee $5 per team
Great cash prizes!

Rules
Open competitors must be 15 years old or over
Junior competitors must be 10-15 years old
Teams comprised of 3 people only

Object
The object of the game is to stack up to 20 bales of hay (open) and 15 bales (junior) to the greatest height in the shortest time possible. One team member must finish seated on top of the highest bale and the stack must stand on its own for 5 seconds to qualify.
Bales must be picked up and carried (not thrown) 5 meters to the stacking area. Teams then construct the highest possible stack using as many of the bales as desired.
Teams may hold the stack to keep it from falling after the 5 second time limit has expired to enable measuring.

Time Limits
Teams will have a maximum of 5 minutes in the heats and 3 minutes in the final to construct their stack. A whistle will sound once to indicate 30 seconds to go and then twice to signal time up.
At the final whistle teams must stop building and one team member must sit on the top bale of the stack.

Judging
If more than one team finishes with the stacks the same height, the fastest team will be the winner
The two highest and fastest teams will compete in the finals.
The judges decision is final.
